

How can Clubs benefit from hosting a Model Aeronautic Association of Canada Radio Controlled Airplane Event?

R.Worsfold/RC Scale Committee - April 2016

The purpose of this document is to explain the benefits for MAAC Clubs to host a RC Scale event/contest.

Benefits to the club

- An opportunity to raise funds for the club to benefit club members;
 - Lower club dues
 - Field improvement projects
 - Yearly club activities
- Work with a local charity raises club profile within the community
 - Provide funding through an admission charge or donation from spectators.
 - Good Public Relations for the club & hobby.
 - Promotional ideas/process on MAAC Website - Canadian RC Scale: - <http://www.maac.ca/en/competitions.php>
- A reason for the club to spruce the field up or make improvements for visitors.
- Acquire new club & MAAC members through event spectators.
- Involves the club members in an activity that will help the club comradeship and the hobby.
- Supports MAAC programs.
- Contest funding may be available from MAAC - check the MAAC website.

Events can provide needed support which help Clubs and MAAC be viable organizations.
