#### INTERNATIONAL COMPETITORS CONDUCT CODE

I understand that as a representative of M.A.A.C. and of Canada, I must adhere to the following conditions and guidelines:

1. Having earned a place on the team, I will attend the event unless it is impossible for me to do so. In the situation where I am unable to participate, I will notify M.A.A.C. and the team manager with as much notice as possible, in order to allow an alternate to participate in my place.
2. I will make every effort to ensure that my models and equipment are ready and prepared to the highest possible standards. Where reserve models are allowed, I will have as many available as are allowed by the rules.
3. I will co-operate fully with the other team members and the team manager.
4. I will arrive at the contest early enough to ensure that models are processed and that I can get adequate practice flights.
5. During the contest I will see to it that I am at the correct place and time for each of my flights.
6. I will adhere to the letter and spirit of all rules governing the competition.
7. I will be courteous and gracious when dealing with officials and fellow competitors. While I have the right to challenge and protest where appropriate, I shall do so politely and through the appropriate channels.
8. I will refrain from any unsuitable behavior such as public drunkenness, obscene language, belligerence and the use of possession of illegal drugs.
9. I will operate my equipment with regard to the safety of others at all times.
10. I will pay my share of all expenses promptly, and within specified dates.
11. I will not lose sight of the fact that I am an ambassador for my team, M.A.A.C., and for my country, and will behave as such.
12. I will respect the Canadian flag and anthem, and show no disrespect to those of all other countries.
13. I will abide by all of the local laws and regulations and avoid any confrontation that may cause negative publicity.
14. I will show respect for the local culture and show appreciation for the hospitality of the host country. I am aware that the funding that I receive from M.A.A.C. is dependent upon my adherence to this code, and that failure to adhere to this code may result in my not receiving further funds and could result in my ineligibility for teams in the future.
15. I will meet all requirements specified in the FAI Handbook.

This document has been read, understood and agreed to by the undersigned. A copy is to be submitted to M.A.A.C. headquarters by each competitor and team manager prior to an FAI Sporting License being issued, or the team member being permitted to participate in a World Championship.
