Please be advised that the Council of the Corporation of the Town of Deseronto, at its regular meeting held on March 27, 2018, passed the following resolutions:

"That MAC be given a one year non exclusive use contract to establish a registered float fly remote control club. Further that permission may be revoked with a 2 week notice if there are any unresolved concerns. Further that this motion be approved as amended."

"That the previous motion be amended to read that flying of remote control planes will only be done between the hours of 8:00 am and 8:00 pm."

Also be advised that camping, at any and all events related to the above noted resolutions, is still an outstanding issue.
