

**MODEL AERONAUTICS ASSOCIATION OF CANADA**  
9-5100 SOUTH SERVICE ROAD, BURLINGTON, ON L7L 6A5  
web [www.maac.ca](http://www.maac.ca) email [office@maac.ca](mailto:office@maac.ca)  
Phone (905) 632-9808 Fax (905) 632-3304 Toll Free 1-855-FLY MAAC (359-6222)

**Note: Registering online only requires updates or changes/corrections rather than filling out the entire paper form and submission of drawings etc along with payment.**

Please note that the club must first be chartered as a club affiliate member before they may obtain proof of field owner(s) insurance coverage through registration. The certificate of insurance will be in effect from the date of receipt of club registration and payment of fees at the MAAC office, until December 31<sup>st</sup>, 2018 or 2020 should you choose to renew for three years. *Remember that your charter agreement states that all club members must be members of MAAC, the exception being American residents who are current AMA members in accordance with our reciprocal agreement and non-modellers to whom the club has given associate membership (e.g. maybe you want to make the mayor a part of your club).*

Be advised that your insurance certificate will not be produced and sent by the office as only the insurance company can issue certificates. There will be a "generic" proof of insurance certificate posted on the web site along with a copy of the current insurance policy under the insurance committee section. All owners of property who need to be listed on the policy as "additional insured" **must make the request in writing with their reason for the request.** We must have the owner's mailing address (not just the field location), a contact person and fax or email address to provide "additional insured certificates". It is your responsibility to advise the office and your zone director of changes.

**INSTRUCTIONS:** Please print! Renewing clubs, please refer to page 4 regarding maps, drawings and rules. The clubs that choose to renew for 3 years must advise their Zone Director and the office of any changes to executive, field location or layout, rules, etc. New or changed application, field maps, drawings, club's rules and **fee (\$25.00 or \$75.00 for three years, plus applicable taxes) must be sent to your Zone Director for approval.** He will forward the form and payment to the MAAC office for processing. Clubs have the option of doing the registration and payment online.

Indicate, in the space provided, the club field locations (including GPS in Google WGS 84 map datum's), owners and their addresses. You must register each of your fields with head office for the owners of the property to be covered under the MAAC insurance policy, remember to include schools and other locations you might use for club meetings or special events even if you use it only once per year.

Send this form, including field maps and drawings and total fee(s) owing, for your field(s) registration, to your Zone Director for approval. He will forward it to the MAAC head office for processing.

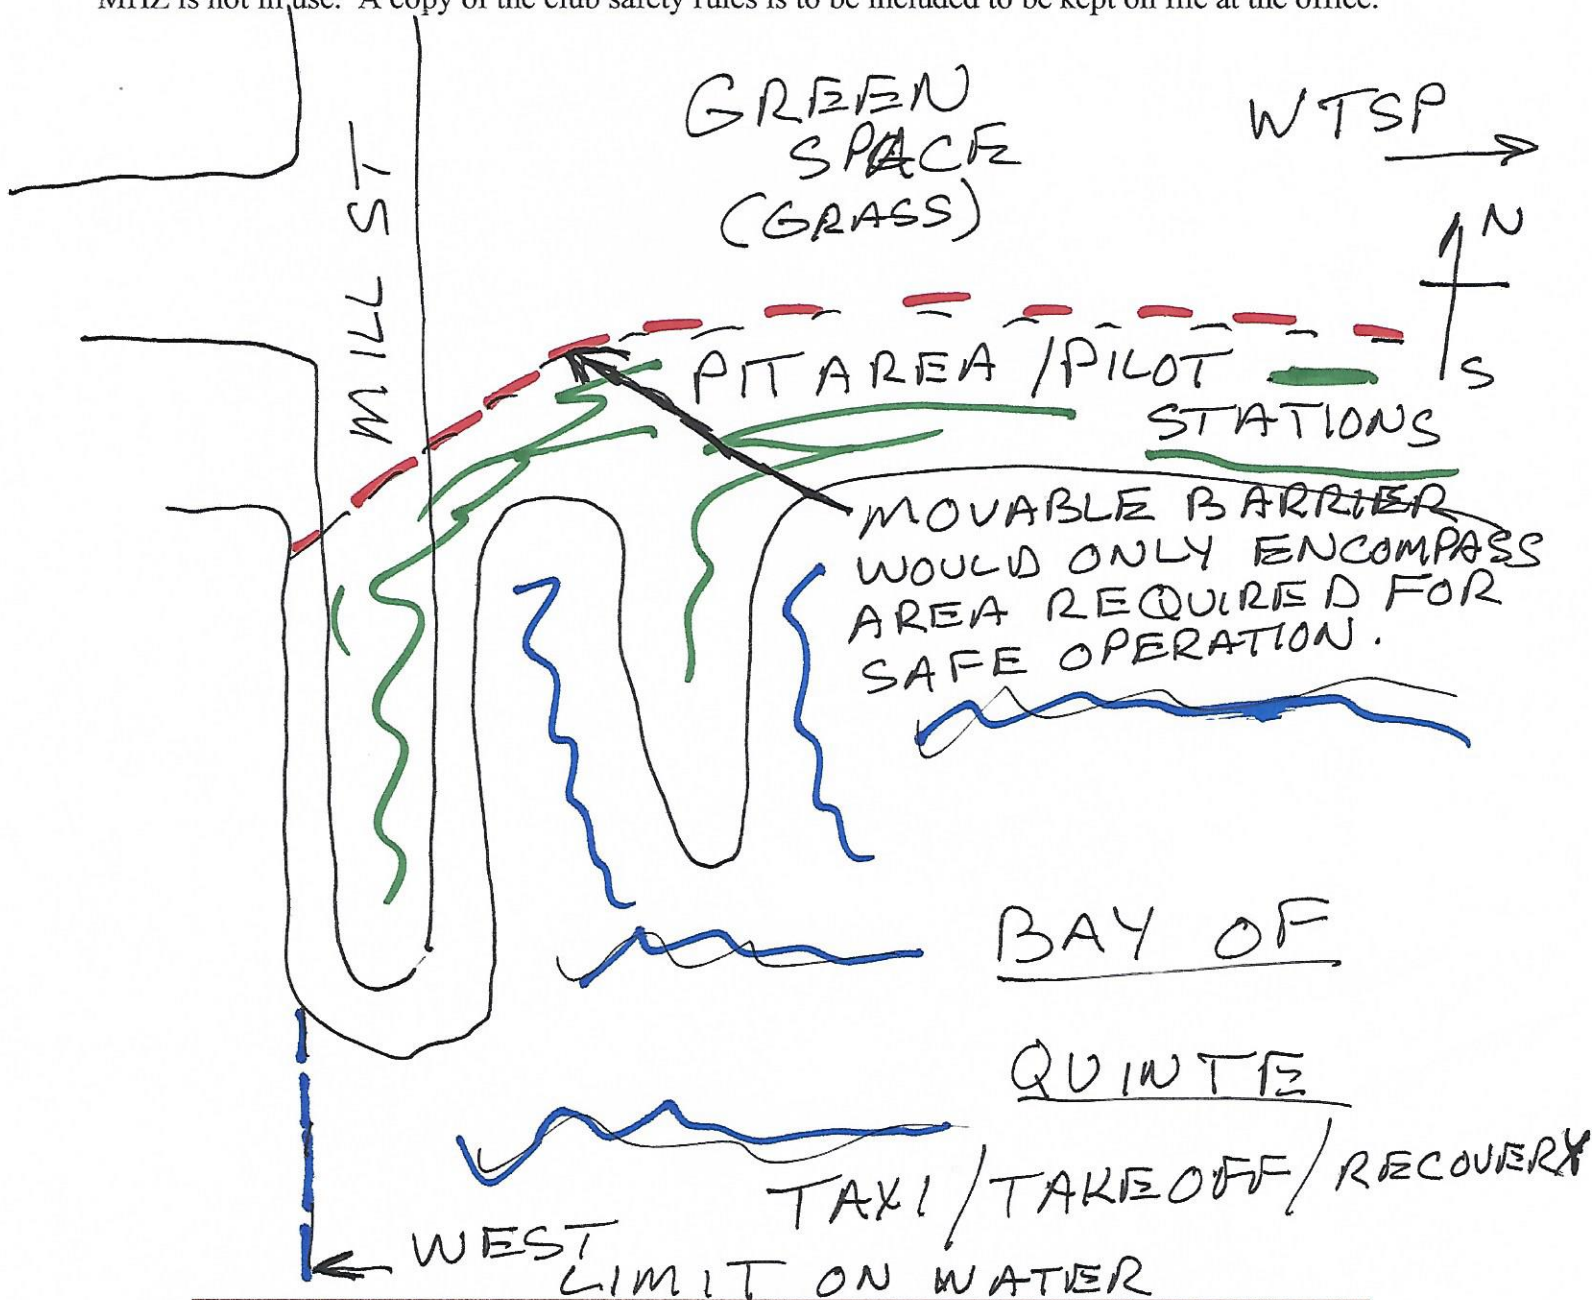

## Club Field Diagram

Use this page to include a diagram of your club field. (To be completed only once unless changes

SEE PHOTOS ZIP<sup>occur</sup> FOLDER: SHORELINE

You must attach a drawing of your field(s) set up. Diagram must show: distances from the runway(s) to (and the locations of) the spectators, pit and parking areas, fences, roadways, airport proximity, buildings, etc. and a directional symbol showing due north. Also include, the exact location(s) of your field(s) street name, etc. (NOTE: GPS or emergency address locations of fields are required - Your GPS coordinates are at the driveway or entrance to the field, not the parking lot or on the field itself). Your club president and one other member of your club executive must sign these maps. If you are an R/C club, you should indicate the direction and distance to any other known R/C fields within a 2.5-mile (4km) radius. A frequency sharing agreement is required between clubs within 4 km of each other if 2.4 MHZ is not in use. A copy of the club safety rules is to be included to be kept on file at the office.
