

Altitude Limit Waiver

This document is to certify MAAC has **approved** a request for RPAS operation above 700' Above Ground Level at:

Name: Aeroclub de Danville

MAAC/Club ID # 911

Zone: J

Flying site location: 45° 47' 40.0"N 71° 59'55.8"W

Mandatory Conditions:

In addition to following all MAAC, Club and local rules:

All RPAS **must remain below 1000' Above Ground Level** and within a 0.5 nm radius from the above flying site location coordinates.

Recommendations:

No flying be permitted above 700' AGL unless a dedicated person has been assigned the sole responsibility of observing the surrounding airspace and advising of any approaching full-scale aircraft.

Allowed time and dates: No restriction

Expiry date of authorization: Permission expires on Club membership renewal date.

A handwritten signature in blue ink, appearing to read 'Mike Anderson', is written over a horizontal line.

President, MAAC

Date: May 17 2022
