Mr. Michael Phillips
P.O. Box 1027
Grand Forks, B.C.
V0H 1H0

Dear Mr. Phillips:

Re: Flying of Model Airplanes at Grand Forks Airport

I apologize for the delay in formally responding to your request to fly model airplanes at the Grand Forks Airport.

Your request was reviewed at a meeting of the Airport Advisory Committee. Approval is provided for the flying of model airplanes at the Airport, subject to club members complying with all requirements of airport operations provided by Transport Canada and the City of Grand Forks, and further, subject to the Model Aircraft Flyers Club naming the City of Grand Forks as an additional insured on their liability insurance policy. Such policy will be written on a comprehensive basis with inclusive limits of not less than \$2,000,000 per occurrence including \$2,000,000 for bodily injury and/or death or any one or more persons including voluntary medical payments and property damage or such higher limits as the Municipality may require from time to time. The policy will contain a clause providing that the insurer will give the Municipality thirty (30) days prior written notice in the event of cancellation or material change. Although this may sound onerous, generally insurance companies will include the City as an additional insured at no additional charge.

The use of the airport by your club members should enhance its exposure. If you have any questions on the foregoing, please don't hesitate to contact the writer.

Yours truly,

A handwritten signature in black ink, appearing to read "J.C. Lambie", is written over a horizontal line.

J.C. Lambie
