

## Site Operating Certificate

This certifies that MAAC has reauthorized **NIAGARA FALLS MAX BRIGADE [Club 77, Zone E]**

To operate the following categories of models: **Control Line**

At or from the following location: **CITY OF NIAGARA FALLS CROWLAND PARK** (Land based control line on municipal land (i.e. parks, etc.)) – within 0.1 nm of **43° 0' 20.3" N, 79° 7' 47.3" W**

**This authorization is contingent upon all members who use this site following the applicable Canadian Aviation Regulations, local laws, and all MAAC, Club or event rules. MAAC provides the following guidelines as information only:**

Should this site allow mRPAS or RPAS operations:

mRPAS (sub-250gram) are not required to meet Basic RPAS Requirements and may operate at this location.

All RPAS pilots must meet Basic RPAS requirements.

As the pilot stations are located laterally 2.96nm east from an aerodrome (Niagara South – CNF9), the club rules should contain aerodrome location information and any additional procedures the Club deems appropriate to permit RPAS operation in a manner that should not interfere with aircraft operating in the established traffic pattern (CAR 901.47(1)). CAR compliance remains an individual's responsibility.

**This authorization is valid until the NIAGARA FALLS MAX BRIGADE [Club 77, Zone E] fails to renew their MAAC membership, dissolves, or otherwise does not comply with any MAAC requirements or requests.**
