

Site Operating Certificate

This certifies that MAAC has reauthorized **SAINTS RC FLYING CLUB [Club 576, Zone D]**

To operate the following categories of models: **RPAS, and Surface Models**

At or from the following location: **DUFF'S FIELD** (Land based RC on provincial or federal land, excluding airports) – within 0.5 nm of **49° 58' 27.71" N, 96° 58' 49.78" W**

This authorization is contingent upon all members who use this site following the applicable Canadian Aviation Regulations, local laws, and all MAAC, Club or event rules. MAAC provides the following guidelines as information only:

This site requires all RPAS pilots to meet Basic RPAS requirements.

As the flying area is laterally within 0.3 nm of St. Andrews class D controlled airspace (CYAV), clear procedures in the event of a lateral fly away towards CYAV airspace should be included in club rules and the contact information for Air Traffic Control should be prominently displayed at the site. (CAR 901.15)

RPAS operation in controlled airspace requires meeting all Advanced RPAS requirements and NAV CANADA authorization. (CAR 901.14) CAR compliance remains an individual's responsibility.

This authorization is valid until the SAINTS RC FLYING CLUB [Club 576, Zone D] fails to renew their MAAC membership, dissolves, or otherwise does not comply with any MAAC requirements or requests.

President, MAAC
