

Site Operating Certificate

This certifies that MAAC has reauthorized **THE HILLTOP FLYING FARMERS [Club 795, Zone G]**

To operate the following categories of models: **RPAS**

At or from the following location: **ERNSTBERGER FIELD** (Land based RC on private land) – within 0.5 nm of **44° 9' 50.9" N, 77° 2' 22.6" W**

This authorization is contingent upon all members who use this site following the applicable Canadian Aviation Regulations, local laws, and all MAAC, Club or event rules. MAAC provides the following guidelines as information only:

This site requires all RPAS pilots to meet Basic RPAS requirements.

As the pilot stations are located laterally 3.2 nm southeast of an aerodrome (Tyendinaga Mohawk – CPU6), the club rules should contain aerodrome location information and any additional procedures the Club deems appropriate to permit RPAS operation in a manner that should not interfere with aircraft operating in the established traffic pattern (CAR 901.47(1)). CAR compliance remains an individual's responsibility.

This authorization is valid until the THE HILLTOP FLYING FARMERS [Club 795, Zone G] fails to renew their MAAC membership, dissolves, or otherwise does not comply with any MAAC requirements or requests.

President, MAAC
