

## Site Operating Certificate

This certifies that MAAC has reauthorized **ELGIN FLYERS MODEL AIRCRAFT CLUB [Club 138, Zone M]**

To operate the following categories of models: **RPAS**

At or from the following location: **FERGUSON FARMS 44554 FRUIT RIDGE RD ST. THOMAS** (Land based RC on private land) – within 0.5 nm of **42° 43' 13.9" N, 81° 7' 55.6" W**

**This authorization is contingent upon all members who use this site following the applicable Canadian Aviation Regulations, local laws, and all MAAC, Club or event rules. MAAC provides the following guidelines as information only:**

This site requires all RPAS pilots to meet Basic RPAS requirements.

As the pilot stations are located laterally 3.14nm southwest from a certified aerodrome (St. Thomas Municipal Airport – CYQS), the club rules should contain Airport location information and any additional procedures the Club feels appropriate to remain 3nm clear of the airport. An advanced RPAS pilot certificate is required to operate within 3nm of an airport (CAR 901.47(2 (a))). CAR compliance remains an individual's responsibility.

**This authorization is valid until the ELGIN FLYERS MODEL AIRCRAFT CLUB [Club 138, Zone M] fails to renew their MAAC membership, dissolves, or otherwise does not comply with any MAAC requirements or requests.**

President, MAAC
