

Site Operating Certificate

This certifies that MAAC has reauthorized **SAINT JOHN MODEL FLYING CLUB [Club 30, Zone B]**

To operate the following categories of models: **RPAS, and Surface Models**

At or from the following location: **FLOAT FLY SITE** (Private Water based on private land) – within 0.5 nm of **45° 37' 43.00" N, 65° 53' 32.1" W**

This authorization is contingent upon all members who use this site following the applicable Canadian Aviation Regulations, local laws, and all MAAC, Club or event rules. MAAC provides the following guidelines as information only:

This site requires all RPAS pilots to meet Basic RPAS requirements.

As the pilot stations are located laterally 3.42nm northwest of an aerodrome (Jenkins Cove – CJO3), the club rules should contain aerodrome location information and any additional procedures the Club deems appropriate to permit RPAS operation in a manner that should not interfere with aircraft operating in the established traffic pattern (CAR 901.47(1)).

CAR compliance remains an individual's responsibility.

Any changes to the site, site rules or procedures upon which this authorization was issued, must be sent to MAAC.

This authorization is valid until the SAINT JOHN MODEL FLYING CLUB [Club 30, Zone B] fails to renew their MAAC membership, dissolves, or otherwise does not comply with any MAAC requirements or requests.

President, MAAC
