469 De La Ronde, Matane, QC, G4W4B9

Length of the season

The flying season starts on January 1st and ends on December 31st of each year.

Members

To be a member, a pilot must :

- Be a MAAC member
- Be accepted by the Board of Directors
- Agree to follow the rules of the club and of MAAC
- Pay their annual dues.
- The Board of Directors may suspend a member who does not follow the rules.

Annual Contribution

- The amount of the annual contribution is determined by the Board of Directors
- The annual contribution is payable from the month of January or on the date of admission for a new member
- The annual contribution is not refundable.

Annual Meeting

The Board of Directors shall call an annual meeting at the beginning of each season.

Board of Directors

- The Board of Directors is composed of the President, the Vice-President and the Secretary.
- The members of the board of directors may be elected or replaced as needed at meetings or assemblies of the club.

Track rules

- Courtesy is required between pilots and towards spectators.
- Vehicles must be parked in the space provided.
- Members must keep the facilities clean.
- Members using 72 Khz frequencies must ensure that they are not using the same channel at the same time as another member.
- Visitors may use the facilities provided they are MAAC members and are accompanied by a member of the R/C Matane Club.
- Non-pilot visitors must stay behind the space occupied by the pilots.
- Smoking is not permitted near the runway or near the aircrafts.
- All pilots must handle their aircraft safely on the ground.

Responsibilities

If aircraft are involved in a mid-air collision, each member is responsible for its own damages.

- If a member's aircraft collides with an aircraft that is stationary on the ground, the member is responsible for damage to both aircraft.

Flight rules

-When several pilots are present, each pilot must limit his flight time in order to give the others a chance to fly as well.

Take-offs and landings must be made in the sections designated for this purpose.

- Pilots must fly in the same direction unless otherwise agreed.
- A maximum of 3 aircraft may fly at the same time unless pilots agree otherwise.

Pilots must report take-offs, landings, in-flight problems and low passes.

-Pilots must not be under the influence of alcohol or drugs while flying.

-Pilots must follow MAAC safety rules.

-Beginners may not fly alone and must be accompanied by a member in good standing of the club.

-The FPV pilot must have a spotter by his side and his aircraft must remain visible from his standing position at all times.
