

This certifies that MAAC has reauthorized **GABRIOLA BALSA BUSTERS [Club 817, Zone H]**

To operate the following categories of models: **RPAS**

At or from the following location: **GABRIOLA AIR FIELD** (Land based RC on private land) – within 0.5 nm of **49° 11' 10.20" N, 123° 50' 2.8" W**

**This authorization is contingent upon all members who use this site following the applicable Canadian Aviation Regulations, local laws, and all MAAC, Club or event rules. MAAC provides the following guidelines:**

This site requires all RPAS pilots to meet Basic RPAS requirements.

As the pilot stations are located within 3nm of an aerodrome (Gabriola Island Heliport – CGB4, 0.44nm south), the club rules must comply with MAAC policy and procedure documents and should contain any additional procedures the Club deems appropriate to permit RPAS operation in a manner that should not interfere with aircraft operating in the established traffic pattern (CAR 901.47(1)).

CAR compliance remains an individual's responsibility.

Any changes to club rules or procedures upon which this authorization was issued, must be sent to MAAC.

**This authorization is valid until the GABRIOLA BALSA BUSTERS [Club 817, Zone H] fails to renew their MAAC membership, dissolves, or otherwise does not comply with any MAAC requirements or requests.**
