

This certifies that MAAC has reauthorized **FT SASKATCHEWAN RC FLYING CLUB [Club 477, Zone A]**

To operate the following categories of models: **RPAS**

At or from the following location: **FORT RC FLYING CLUB FIELD** (Land based RC on private land) – within 0.5 nm of **53° 40' 43.40" N, 113° 11' 23.90" W**

This authorization is contingent upon all members who use this site following the applicable Canadian Aviation Regulations, local laws, and all MAAC, Club or event rules. MAAC provides the following guidelines:

This site requires all RPAS pilots to meet Basic RPAS requirements.

As the pilot stations are located laterally 1.11nm southeast from a certified heliport (Fort Saskatchewan General Hospital (CSV4 – CERT Heliport) 1.11nm northwest), the club rules should contain heliport location information and any additional procedures the Club deems appropriate to remain 1nm clear of the heliport.

An advanced RPAS pilot certificate is required to operate within 1nm of a heliport (CAR 901.47(2 (a))).

CAR compliance remains an individual's responsibility.

Any changes to club rules or procedures upon which this authorization was issued, must be sent to MAAC.

This authorization is valid until the FT SASKATCHEWAN RC FLYING CLUB [Club 477, Zone A] fails to renew their MAAC membership, dissolves, or otherwise does not comply with any MAAC requirements or requests.

President, MAAC
