

This certifies that MAAC has reauthorized **CLUB OF RECREATIONAL AEROMODELLERS SIOUX LOOKOUT [Club 753, Zone D]**

To operate the following categories of models: **RPAS, and Surface Models**

At or from the following location: **5 MILE BOAT LAUNCH** (Water based on municipal land (i.e. parks, etc.)) – within 0.5 nm of **50° 3' 15.70" N, 91° 58' 9.80" W**

This authorization is contingent upon all members who use this site following the applicable Canadian Aviation Regulations, local laws, and all MAAC, Club or event rules. MAAC provides the following guidelines:

This site requires all RPAS pilots to meet Basic RPAS requirements.

As the pilot stations are located laterally 3.13nm southwest from an aerodrome (Pelican Lake – CKA6), the club rules should contain aerodrome location information and any additional procedures the Club deems appropriate to permit RPAS operation in a manner that should not interfere with aircraft operating in the established traffic pattern (CAR 901.47(1)).

CAR compliance remains an individual's responsibility.

Any changes to club rules or procedures upon which this authorization was issued, must be sent to MAAC.

This authorization is valid until the CLUB OF RECREATIONAL AEROMODELLERS SIOUX LOOKOUT [Club 753, Zone D] fails to renew their MAAC membership, dissolves, or otherwise does not comply with any MAAC requirements or requests.

President, MAAC
