This authorization is contingent upon all members who use this site following the applicable Canadian Aviation Regulations, local laws, and all MAAC, Club or event rules. MAAC provides the following guidelines:

This site requires all RPAS pilots to meet Basic RPAS requirements.

As the flying area is laterally within 100 meters of Ottawa/Macdonald-Cartier class C controlled airspace (CYOW), clear procedures in the event of a lateral fly away towards CYOW airspace should be included in club rules and the contact information for Air Traffic Control unit **must** be prominently displayed in club rules available at the site. CAR compliance remains an individual's responsibility.

Any changes to club rules or procedures upon which this authorization was issued must be sent to MAAC.
