

Site Operating Certificate

This certifies that MAAC has reauthorized **PROPNUITS RC FLYING CLUB [Club 540, Zone H]**

To operate the following categories of models: **mRPAS, and Free Flight**

At or from the following location: **VERN WRIGHT MEMORIAL FIELD** (Land based RC on private land) – within 0.5 nm of **49° 5' 16.00" N, 122° 15' 60.00" W**

This authorization is contingent upon all members who use this site following the applicable Canadian Aviation Regulations, local laws, and all MAAC, Club or event rules. MAAC provides the following guidelines:

This site is in Abbotsford International Airport (CYXX) Class C Control Zone controlled airspace. MAAC RPAS operation is **prohibited** under MAAC rules.

This site has been approved for **mRPAS** (sub-250gram) operation only in accordance with the approved site rules.

As the pilot stations are located within 3nm of an aerodrome (Sumas Mountain (Hydra Helicopters (CSM7 2.9nm northeast), the club rules must comply with MAAC policy and procedure documents and should contain any additional procedures the Club deems appropriate to permit mRPAS operation in a manner that should not interfere with aircraft operating in the established traffic pattern (CAR 901.47(1)).

Clear procedures in the event of a lateral flyaway towards CYXX airport or CSM7 aerodrome should be included in club rules, and the contact information for Air Traffic Control should be prominently displayed at the site (CAR 901.15).

Any changes to club rules or procedures upon which this authorization was issued must be sent to MAAC.

CAR compliance remains an individual responsibility.

This authorization is valid until the PROPNUITS RC FLYING CLUB [Club 540, Zone H] fails to renew their MAAC membership, dissolves, or otherwise does not comply with any MAAC requirements or requests.
