## Normal Operating Procedures and Club Safety Rules

These rules are available in print or online. A copy of these rules must be available to any member who operates an RPAS. The club will endeavour to keep a copy at the flight site.

This club allows the following categories of model making:

### STAP

- Domestic flight
- Free flight with UMX aircraft
- Small Multi Rotor (less than 150gr)
- Small or nano helicopter
- Surface vehicles 1/10 or smaller with rubber tire.

## Site Rules

- 1) To enter the gymnasium, people must
  - a. Take off their outdoor boots.
  - b. Wear safety glasses (corrective lenses are accepted)
- 2) Attendees should set up their things along the wall on the main entrance side of the gymnasium.

## **RPAS Rules**

For members operating RPAS at this site, flights, take-off, landing merge counterclockwise
