ADMINISTRATIVE

Portage Planes R/C Club (#486, Zone D)

Location: Off the Top Barber Shop, 230 E, Saskatchewan Ave, Portage la Prairie, Mb

Site Owner: Mr. Derek McCutcheon

Meetings are held on the 3rd Wednesday of Feb, Apr, Jun, Oct, Dec of each year or as indicated by the club executive.

Conditions for use - All persons using this modeling site must:

1. be MAAC members in good standing.
2. be members of the PPR/CC, or an invited guest of a club executive member, and
3. agree to follow the MAAC Safety code and all other site rules.

The PPR/CC secretary will send out an e-mail to all members by the first week of the month in which a meeting is to occur. The location is accessible through the main door on Saskatchewan Ave at 7 pm.

The meeting is only open to club members and the facility is closed to the public during meeting times.

There is ample parking in front, or behind the building. Member seating is provided in the front of the shop.

Model operations are not permitted in this location or during meetings. Only static displays of models by members are permitted in the area provided at the back of the barber shop.

When a club swap meet is being held, this same area will be designated as such for members to use for swap meet activities, in which case, no static displays will be allowed.

These meeting rules will be provided to all members of the PPR/CC as a separate addendum to the PPR/CC Rules and Regulations.

In the event of an emergency at this location, phone 9-11 and the civic address for first responders is:

230 E, Saskatchewan Ave, Portage la Prairie, Mb.

For PPR/CC static displays, and swap meets, the overall setup is as follows:

1. All inspections or assembly shall be done in the designated area located at the back of the shop.
2. Batteries shall not be connected to electric powered models – no exceptions.
3. No fuel or other flammable materials shall be brought into the shop without the express permission of the shop owner.

Emergency Or Safety Procedures

4. The Emergency phone number is 9-1-1, exit locations are one front door, and one rear emergency exit. Fire extinguishers are located on the main floor, along with washroom facilities.
5. There are no other risk mitigating strategies required at this site.
6. The Club will review these rules at least once a year.
