

This certifies that MAAC has reauthorized **MERIDIAN MODEL FLYERS ASSOCIATION M2 FLYERS [Club 561, Zone A]**

To operate the following categories of models: **RPAS**

At or from the following location: **TOWN OF STONY PLAIN 53026 RANGE ROAD 280 STONY PLAIN** (Land based RC on municipal land (i.e. parks, etc.)) – within 0.5 nm of **53° 33' 14.10" N, 113° 59' 19.40" W**

This authorization is contingent upon all members who use this site following the applicable Canadian Aviation Regulations, local laws, and all MAAC, Club or event rules. MAAC provides the following:

This site requires all RPAS pilots to meet Basic RPAS requirements.

As the pilot stations are located laterally 1.01nm northwest from a certified heliport (Stoney Plain (Westview Health Center) – CSP2), and 2.99nm northeast of Stony Plain (Lichtner Farms (CSP3)), the club rules should contain heliport location information and any additional procedures the Club deems appropriate to remain 1nm clear of the heliport.

Prior to commencing daily operations, members **SHALL check aviation NOTAM for the status of CSP2:**

- if CSP2 is open an advanced RPAS pilot certificate is required to operate within 1nm of a heliport (CAR 901.47(2 (a))), or the RPAS pilots with Basic certification may operate from the modified position.
- If NOTAM's closed, Advanced RPAS certification is not required and all pilots may use the "legacy" set-up per club rules.

CAR compliance remains an individual's responsibility.

Any changes to club rules or procedures upon which this authorization was issued, must be sent to MAAC.

This authorization is valid until the MERIDIAN MODEL FLYERS ASSOCIATION M2 FLYERS [Club 561, Zone A] fails to renew their MAAC membership, dissolves, or otherwise does not comply with any MAAC requirements or requests.

Carl Layden
President, MAAC
