

Site Operating Certificate

This certifies that MAAC has reauthorized **PENTICTON MODEL AVIATION CLUB [Club 230, Zone C]**

To operate the following categories of models: **mRPAS or RPAS**

At or from the following location: **PYRAMID PARK** (Land based RC on a municipal airport) – within 0.5 nm of **49° 33' 3.60" N, 119° 37' 56.10" W**

**This authorization is contingent upon all members who use this site following the applicable Canadian Aviation Regulations, local laws, and all MAAC, Club or event rules. MAAC provides the following:**

This site requires all RPAS pilots to meet Basic RPAS requirements.

As this site is 0.3nm north of the Penticton Class E Control Zone controlled airspace, the rules must have provisions to ensure no inadvertent airspace entry and any required fly-away notifications occur.

CAR compliance remains an individual's responsibility.

Any changes to club rules or procedures upon which this authorization was issued must be sent to MAAC.

**This authorization is valid until the PENTICTON MODEL AVIATION CLUB [Club 230, Zone C] fails to renew their MAAC membership, dissolves, or otherwise does not comply with any MAAC requirements or requests.**
