

This certifies that MAAC has reauthorized **NIAGARA REGION MODEL FLYING CLUB [Club 8, Zone E]**

To operate the following categories of models: **mRPAS and RPAS**

At or from the following location: **NRMFC FLOAT FLY EVENT SITE** (Water based on private land) – within 0.5 nm of **43° 0' 38" N, 79° 22' 46" W**

This authorization is contingent upon all members who use this site following the applicable Canadian Aviation Regulations, local laws, and all MAAC, Club or event rules. MAAC provides the following:

This site requires all RPAS pilots to meet Basic RPAS requirements.

As the pilot stations are located laterally 3.05nm northwest from an aerodrome (Niagara Central Dorothy Rungeling – CNQ3), the club rules should contain aerodrome location information and any additional procedures the Club deems appropriate to permit RPAS operation in a manner that should not interfere with aircraft operating in the established traffic pattern (CAR 901.47(1)).

Any changes to club rules or procedures upon which this authorization was issued must be sent to MAAC.

CAR compliance remains an individual's responsibility.

This authorization is valid until the NIAGARA REGION MODEL FLYING CLUB [Club 8, Zone E] fails to renew their MAAC membership, dissolves, or otherwise does not comply with any MAAC requirements or requests.
