

This certifies that MAAC has reauthorized **PRINCE EDWARD RC FLYING CLUB [Club 420, Zone G]**

To operate the following categories of models: **mRPAS, RPAS and Surface Vehicles**

At or from the following location: **PERCFC FIELD - 1129 CLARKE RD PICTON, ON** (Land based RC on private land) – within 0.5 nm of **43° 57' 47.2" N, 77° 6' 46.6" W**

This authorization is contingent upon all members who use this site following the applicable Canadian Aviation Regulations, local laws, and all MAAC, Club or event rules. MAAC provides the following:

This site requires all RPAS pilots to meet Basic RPAS requirements.

As the pilot stations are located within 3nm of two aerodromes Picton aerodrome (CNT7 – 1.92nm northwest) and Picton Greenbush (CGB3 – 2.86nm northeast), the club rules must comply with MAAC policy and procedure documents and should contain any additional procedures the Club deems appropriate to permit RPAS operation in a manner that should not interfere with aircraft operating in the established traffic pattern (CAR 901.47(1)).

Surface models (cars) are only allowed as a demonstration during events.

CAR compliance remains an individual's responsibility.

Any changes to club rules or procedures upon which this authorization was issued must be sent to MAAC.

This authorization is valid until the PRINCE EDWARD RC FLYING CLUB [Club 420, Zone G] fails to renew their MAAC membership, dissolves, or otherwise does not comply with any MAAC requirements or requests.

Carl Layden

President, MAAC
