zd-e@maac.ca, 289-407-2225

Date and time: Sunday, November 10th to Monday, November 11, 2024

Conditions for use - All persons participating in this static display must:

1. Be MAAC members in good standing.
2. Be members of the Zone E Middle Ontario (#9005, Zone E) , or invited guest(s), and
3. Agree to follow the MAAC Safety code and all other site rules.

Event:

This event is open to the public. The display consists of an approximately 10' x 20' cordoned area with a static display of 2 RC aircraft, supervised by MAAC members.

A copy the rules or requirements for this event must be available either electronically or in hard copy at the exhibit.

In the event of an emergency, phone 911 and the civic address for first responders is:

9280 Airport Rd, Mount Hope, ON L0R 1W0

Normal operating procedures and Site safety rules

1. This event is a static display of 2 RPAS only, supervised by MAAC members. The event is open to the public.
2. There is no flying or operation of any model permitted at this site. Only static displays of inoperable model airplanes are allowed.

3. All models on display will be unpowered without batteries (flight batteries, ignition batteries and/or propulsion batteries) installed. All fuel is to be removed from any fuel powered model.
4. All power systems (gas, glow or electric) must be rendered inoperable. Propulsion batteries must be disconnected.
5. The exhibit area consists of an approximately 10' x 20' roped off indoor area, with 2 tables, and display cradles.
 - a. The models will always be out of reach of bystanders. At no time will any model, electric or otherwise be powered up during the display.
 - b. Ground operation is permitted for purposes such as demonstrating flight controls, retracts, lights etc., as long as the engine/motor is disabled.
 - c. Only MAAC and Zone E Middle Ontario (#9005, Zone E) Club members will be permitted to handle any models on display at this event.
 - d. No public or bystanders are permitted within the roped off exhibition area.
 - e. Club members staffing the exhibit shall monitor the public and bystanders to assure they remain outside the roped of area.
 - f. When any member or other person spots a person or bystander that might come into the modeling area unsafely, they are to approach the bystander and advise them that they may not enter the roped off area, or to leave the roped off area, as applicable.
6. All model aircraft must stay within the designated display area during the event.

Emergency or safety procedures

In the event of an emergency, phone 911.

The civic address for first responder is: 9280 Airport Rd, Mount Hope, ON L0R 1W0

1. A suitable fire extinguisher must be available.
2. A small first aid kit must be available while models are displayed.
3. Emergency Procedures and location of emergency equipment will be posted at the venue.
4. There are no other risk mitigating strategies required at this site.
5. The Club will review these rules at least once a year.
