Date(s): Auction - February 22, 2025, Meetings as scheduled.

Purpose: This is an auction and is open to the vendors selling model aviation related items and to the general public. Also used for meetings throughout the year.

Conditions for use - All persons using this modelling site must:

1. be MAAC members in good standing.
2. be members of the Kingston R/C Modellers, or an invited guest, and
3. agree to follow the MAAC Safety code and all other site rules.

The event is open to the public.

A copy of these rules must be present during the display, either in print or electronically (on a phone/device). A copy of this document will be available:

- By email to exhibitors
- Posted at the entry
- Posted on MAAC ZONE G Facebook
- Posted on KINGSTON R/C MODELLERS (92) website

In the event of an emergency, phone (9-11 or number) and the civic address to be provided to first responders is:

Air Force Association Of Canada Wing 416
200 Hampton Gray Gate Kingston

Beside the yellow Harvard on pedestal

Normal Operating Procedures and Site Safety Rules

1. This site is for an auction and static display only. No models will be operated at this site.
2. There is no flying permitted at this site. The Club will only permit the static displays of inoperable model airplanes. The model is not allowed to be operated in any way.
3. Models on display will be unpowered, no batteries will be allowed on site. All fuel is to be removed from any fuel powered models. No fuel is allowed in the room at any time.
4. All power systems (gas, glow or electric) must be rendered inoperable. Any complete aircraft must have the propeller(s) removed. Propulsion batteries must be disconnected.
5. Batteries shall not be connected to electric models, chargers or dischargers at any time.
6. All models will be displayed out of reach of bystanders with club members in attendance. At no time will any model, electric or otherwise be powered up during a display.

Emergency or Safety Procedures

1. A suitable fire extinguisher must be available.
2. A small first aid kit must be available while models are displayed.
3. In case of emergency or evacuation follow the instructions of the room operator
4. There are no other risk mitigating strategies required at this site.
5. The club executive will review these rules at least once a year.
