

Safety Regulations
Revised March 2023

- 1 - All members must have in their possession a valid MAAC membership card for the current year to be authorized to fly and have paid his membership fee to the club Les Radio-Modélistes Rimouski. The pilot must also provide a proof of success of the Transport Canada certification (SATP)
- 2 - Guest pilots are always welcome as long as they present their MAAC card in good standing and their Transport Canada certificate and must respect the safety rules of the club.
- 3 - All visitors or spectators must stay in the spectator area.
No spectators will be tolerated in the start area.
- 4 - The track is accessible from 8 am.
- 5 - All members have the responsibility to keep the area clean at all times.
- 6 - No alcoholic beverages are allowed on the site.
- 7 - All aircraft must have Transport Canada identification.
- 8 - Only members or invited pilots are allowed to access the pits and runway.
- 9 - It is strictly forbidden to fly over the parking area, over the start area.
- 10 - All pilots must immediately clear the runway after landing.
- 11 - All new pilots must demonstrate to the club instructor that they are in full control of their model before control of his model before flying solo.
- 12 - Pilots must fly their model in one of the cockpits, a maximum of 4 pilots at a time.
- 13 - When a member wishes to fly a new model he must have it checked by the instructor.
It is recommended to have a second pilot to help during the first flight.
- 14 - All members must respect the rules at all times.
- 15 - The executive reserves the right to notify, suspend or expel a member who does not respect the rules.
not respecting the safety rules.
