

**100 Acres**

The image is an aerial photograph of a rural landscape. A large square, representing 100 acres, is outlined by a black cross with arrows at its ends. The square is centered in the upper half of the image. To the right of the square, a vertical road is labeled 'Telfer Rd'. In the lower right corner, a red-shaded area is labeled 'No Fly Zone'. A green polygon, representing a 'Pilots Station', is located within the 100-acre square. A small black arrow points from the text 'Pilots Station' to this green polygon. The text 'Pilots Station' is followed by its coordinates: '42.79308° N 82.30364° W'. In the lower left, there is a list of two bullet points: '• Height restriction of 400' AGL' and '• There are NO aerodromes within 3 Nautical Miles'. The background shows a mix of green fields and brownish, possibly wooded or fallow, areas.

- Height restriction of 400' AGL
- There are NO aerodromes within 3 Nautical Miles
